www.stachestudio.eu

Brand and visual designer working at the intersection of editorial, art direction, and contemporary visual systems. Studio experience across Italy and Germany.

EXPERIENCE

Co-Founder & Brand Designer

Stache Studio

APR 2026 — PRESENT · FLORENCE

Independent creative studio focused on brand identity, editorial, and web.

- Built the studio's identity from the ground up: visual system, typography, tone of voice, and website
- Managing client projects, including a print campaign for Bardi Ecologia published in La Nazione

Brand Designer, Internship

Marco Casamonti & Partners / Archea Associati

MAR 2026 — MAY 2026 · FLORENCE

Brand systems and editorial output inside an internationally recognized architecture studio.

- Designed web layouts, brand assets, and digital materials that translated the studio's vision into a coherent visual language
- Produced visual content and edited video for The Bunker Magazine, the studio's cultural publication
- Contributed to graphic materials supporting the publication's identity and storytelling

Communication Designer

Lemons In The Room (Startup)

JUL 2025 — MAR 2026 · FLORENCE

Visual communication and narrative direction for Florence Connect, developed in parallel with my Communication Design thesis.

- Designed visual assets, LinkedIn content, and founder storytelling for the project's public communication
- Wrote copy and shaped narrative direction across the event's digital touchpoints
- Built a consistent visual and editorial system for the company page and founders' personal profiles

Multidisciplinary Designer, Internship

Gallery Heike Arndt

JUL 2024 — JAN 2025 · BERLIN

Six-month international experience inside a contemporary art gallery, working across identity, exhibition, and multimedia.

- Supported the gallery's visual identity through exhibition materials, branding assets, and social content
- Collaborated with international artists on event coordination, communication, and installation preparation
- Contributed to multimedia production: video editing, audio recording, and artist interviews
